Hastings, Pa. 16646
(814) 247-8240**

PLEASE READ -- IMPORTANT CHANGES

Dear Customer,

Due to the rising operating costs and future Sewer line improvement system upgrades, Hastings Area Sewer Authority will increase the debt service/base rate of the Sewer by an additional **\$10.00** monthly which will change from current Sewer Base of \$42.00 to \$52.00 and the flat Sewer rate from \$57.00 to \$67.00. The debt service/base rate includes no usage. This change will take effect on January 1st, 2017.

This additional monthly charge will cover things such as easement & right-of-ways filing and other payments associated with the sewer line replacement project.

It has come to our attention that some customers did not receive an easement. Please contact Michelle at 247-8240 to make sure your easement has been processed.

The public is welcome to attend authority meetings. The Sewer Authority meets the 2nd Wednesday of every month at 7 o'clock at the Hastings Borough Building at 207-1 Fifth Avenue. If you have any questions or concerns, please contact the Hastings Area Sewer Authority at 247-8240.

We thank you very much for your understanding to this necessary increase to pay down the present and future debt service.

Sincerely,

Hastings Area Sewer Authority
